

## CLASSICS AT THE COLLEGE

The 'Classics at the College' is returning to Ellesmere College for 2022, it has not been held for two years because of Covid.

The event, which raises vital money for Hope House Children's Hospices, is being held on **Saturday June 4** and this year will also be celebrating the Queen's Jubilee. Although DevaMog has not attended this event previously, it has proved very popular with classic car owners in the past and entries often sell out. It is being promoted by our Treasurer, Jonathan Bolton. Around 100 classic and vintage vehicles will enjoy a scenic drive from Hope House, Oswestry, SY10 9BX through the Shropshire and Welsh countryside before driving up to the gothic building of Ellesmere College, SY12 9AB. Cars will leave Hope House at 10.30am, reaching Ellesmere College around midday. From 12.30pm onwards members of the public are allowed into the college to see the selection of classic vehicles displayed on the college lawns until 4pm. Visitors and exhibitors can vote for their favourite car and the owner will receive a well earned trophy. The college will also hold a free art exhibition in the fabulous grand hall which can be enjoyed at the same time.

So if you fancy participating in this special event and joining other car enthusiasts showing their vehicles to the public in beautiful surroundings, sign up at [bit.ly/classicsatcollege](https://bit.ly/classicsatcollege) or by calling 01691 671671. You will also be raising money for an important charity. Early bird entry for the event is £11 per vehicle up to April 30, increasing to £15 thereafter. Full details of the event will be provided once you have registered.

Bring a picnic to enjoy on the lawn, although refreshments and cakes will be available to purchase.
