

NORTH CHESHIRE CLASSIC CAR CLUB CLASSIC CAR SHOW

DevaMog has been invited by the North Cheshire Classic Car Club to attend their annual Classic Car Show on **Sunday 20 August 2023**. This is a very popular event and is one of the largest classic car shows on the Wirral, with between 250/350 cars normally attending. One of our members, Mike Harris, is also a member of the North Cheshire Classic Car Club and he is promoting the event as a great day out, which it certainly was last year.

If we have sufficient interest (at least 4 Morgans) we can pre-register and the organisers will allocate a marked out area based on the number of cars attending. Alternatively, you can turn up on the day and you will be directed to a designated area along with other classic cars. Hopefully, there will be sufficient interest in this event so we can reserve our own designated Morgan display area. Last year we had a good turnout with 13 Morgans on display. **Entrance is free.** Toilet facilities, food and drink are available on site. You may also wish to take a picnic to enjoy. A gazebo can also be erected if required.

If you are interested in attending, can you please let me know by Thursday 10 August so I can advise the show organisers of the number of Morgans attending.

Please see the two pages below for more details of the show.

Many thanks – Joe Cleary

Dear Car Enthusiast,

North Cheshire Classic Car Club
Classic Car Show - Sunday 20 August 2023
Claremont Farm, Clatterbridge, Wirral

I would like to invite you and the members of your club to attend our annual show. The show takes place at Claremont Farm, on Sunday 20 August 2023. The site is all grass, well drained, with close access to Claremont's farm shop and restaurant, with a good area for picnics and lovely views across the Wirral countryside to North Wales. Access to the site is within half a mile of Junction 4 of the M53. The show is open to the public between 11:30 am and 3:30 pm, and admission is free.

We would hope the show will be in the same format as previous years and should have 250/350 vehicles on display.

I enclose a copy of the Show Application Form to give you more details. Please email or telephone me if you require any further information.

Yours faithfully,

Paul Youd
